AGES

Learning through Play!
Can help sort colored balls
Better color recognition

-  Thought Training
-  Color Perception
-  Hands on ability

Correct!

1. First, combine glass all balls into the complete heap.

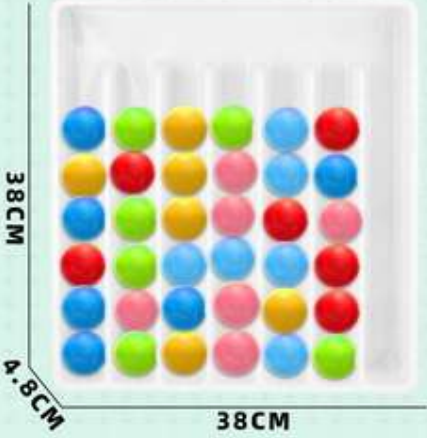

2. After all the balls are put in their respective color.

3. Put the ball in the same color into the same compartment within the 1-minute time.

4. Crossly all balls before the end of the time to successfully challenge.
