

Baby Feeding

Jiffi Warmer 2.0

Portable Bottle Warmer Set

Product Function

01 | Easy carrying
Take out anytime anywhere.

02 | 3 Temperature settings can satisfy various milk powder brewing demands

03 | Hold temperature for 6 hours after fully charged. Heat up to 40°C in 10 mins (180ml).

04 | Perfectly compatible with TOP 5 leading brands of baby bottles.

05 | One touch to operate
Optional UV Cover with sterilization function.

06 | Multiple safety protection
SUS316L Stainless Steel.

Product Parameters

Model No.: BW-EGS100
Charging Voltage: DC5V,1A/2A
Battery Capacity: 7.4V/2500mAh
Product Size: 70*70*246mm

Max Power: 24W
N.W.: 310g
Color: Blue,Pink,White
Certificate: CE,UKCA,FDA,FCC,RoHs,UN38.3,MSDS

Jiffi Warmer 2.0S

Portable Bottle Warmer 2.0S

Product Function

01 | Hold temperature for 6 hours after fully charged. Heat up to 40°C in 8 mins (180ml).

02 | Easy carrying
Take out anytime anywhere.

03 | 3 Temperature settings can satisfy various milk powder brewing demands

04 | Perfectly compatible with TOP 5 leading brands of baby bottles.

05 | One touch to operate,
Optional UV cover with sterilization function.

06 | Multiple safety protection
SUS316L Stainless Steel,

Product Parameters

Model No. : T1-21B
Charging Voltage: DC5V,1A/2A
Battery Capacity: 7.4V/2500mAh
Product Size: 77*77*102mm

Max Power: 24W
N.W.: 340g(pending)
Color: Green,White
Certificate: CE,FDA,FCC,RoHs,UN38.3,MSDS

Jiffi Warmer 3.0

Portable Bottle Warmer 3.0

Product Function

01 | Easy carrying
Take out anytime anywhere.

02 | Hold temperature for 10 hours after fully charged. 5 mins fast heating (180ml).

03 | 4 Temperature settings can satisfy various milk powder brewing demands

04 | Multiple safety protection
SUS316L Stainless Steel.

05 | One touch to operate Optional UV
Cover with sterilization function.

06 | Perfectly compatible with TOP 5 leading brands of baby bottles.

Product Parameters

Model No.: T5-18B
Charging Voltage: DC5V, 2A/3A
Battery Capacity: 7.4V/4400mAh
Product Size: 76*76*131mm

Max Power: 35W
N.W.: 400g
Color: White,Green
Certificate: CE,FDA,FCC,CPC,RoHs,UN38.3,MSDS

Baby Feeding

Jiffi Warmer 3.0A

Portable Bottle Warmer 3.0A

Product Function

01 | Easy carrying
Take out anytime anywhere.

02 | Hold temperature for 10 hours after fully charged. 5 mins fast heating(180ml).

03 | Multiple safety protection
SUS316L Stainless Steel.

04 | 4 Temperature settings can satisfy various milk powder brewing demands

05 | One touch to operate
Real-time Display.

06 | Perfectly compatible with TOP 5 leading brands of baby bottles.

Product Parameters

Model No.: T5-21A
Charging Voltage: DC5V ,2A
Battery Capacity: 7.4V/4500mAh
Product Size: 74*81*130mm

Max Power: 35W
N.W.: 364g
Color: White,Green
Certificate: CE,FDA,FCC,RoHs,UN38.3,MSDS

Baby Feeding

Jiffi Warmer 3.0B

Portable Bottle Warmer 3.0B

Product Function

01 | Easy carrying
Take out anytime anywhere.

02 | Hold temperature for 10 hours after fully charged. 5 mins fast heating(180ml).

03 | Multiple safety protection
SUS316L Stainless Steel.

04 | 4 Temperature settings can satisfy various milk powder brewing demands

05 | One touch to operate, Optional UV Cover with sterilization function or Night Light Function.

06 | Perfectly compatible with TOP 5 leading brands of baby bottles.

Product Parameters

Model No.: T5-21B
Charging Voltage: DC5V,1A/2A
Battery Capacity: 7.4V/4400mAh
Product Size: 85*85*102mm

Max Power: 35W
N.W.: 394g
Color: White
Certificate: CE,FDA,FCC,RoHs,UN38.3,MSDS

Baby Feeding

Jiffi Warmer 4.0

Portable Heating Bottle 4.0

Product Function

01 | Easy carrying
Take out anytime anywhere.

02 | 5 mins fast heating.

03 | Max temperature settings (50°C),
Real time display.

04 | Hold temperature for 10 hours after
fully charged .

05 | One touch to operate.

06 | Multiple safety protection
Dry Burning-resistant Protection
SUS316L Stainless Steel.

Product Parameters

Model No.: T5-20B
Charging Voltage: DC5V,1A/2A
Battery Capacity: 7.4V/4400mAh
Product Size: 82*82*205mm

Max Power: 35W
N.W.: 580g
Color: White, Yellow, Blue, Green
Certificate: CE, FDA, FCC, RoHs, UN38.3, MSDS

Jiffi Warmer 4.0A

Portable Heating Bottle 4.0

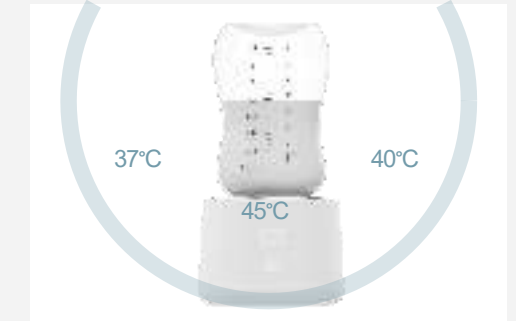

Product Function

01 | Detachable warmer base can directly fit the leading brands of baby bottles for heating milk.

02 | 5 mins fast heating .

03 | 4 Temperature settings (37-40-45-50°C), Real time display.

04 | Hold temperature for **10 hours** after fully charged.

05 | Easy carrying
Take out anytime anywhere.

06 | Multiple safety protection,
Dry Burning-resistant Protection,
SUS316 Stainless Steel heating plate and
glass bottle.

Product Parameters

Model No.: T5-21D
Charging Voltage: DC5V,1A/2A
Battery Capacity: 7.4V/4400mAh
Product Size: 87*87*210mm

Max Power: 35W
N.W.: 530g
Color: White, Yellow, Blue
Certificate: CE, FDA, FCC, RoHs, UN38.3, MSDS

Baby Feeding

Double-Mode Warmer 1.0

Double - Mode Portable Kettle 1.0

Product Function

01 | Easy carrying
Take out anytime anywhere.

02 | 5 mins fast heating by DC power supply,
60 seconds fast heating by AC power supply.

03 | Temperature settings
(37-40-45-50-80-100°C)
Real time display.

04 | Easy operation,
Automatically identify AC & DC
power supply mode upon power on.

05 | Hold temperature for 10 hours after
fully charged.

06 | Double modes
power supply technology .

Product Parameters

Model No.:	T5-21E	Max Power:	AC300W, DC24W
AC Input Voltage:	AC100-200VAC,50/60 Hz	Volume:	300mL
DC Input Voltage:	DC5V/2A	N.W.:	638g
Battery Capacity:	7.4V/4500mAh	Color:	White,Yellow
Product Size:	89*89*250mm	Certificate:	CCC,FDA,RoHs,UN38.3

Jiffi Warmer X

Mini Bottle Warmer X

Product Function

01 | Mini bottle warmer, can be used to heat breast milk directly.

02 | 2 mins fast heating .

03 | 4 Temperature settings (37-40-45-50°C), Real time display.

04 | Hold temperature in whole night.

05 | One touch to operate
Multiple safety protection
Dry Burning-resistant Protection.

06 | AC Power Supply
Rinsing metal plate is available.

Product Parameters

Model No.:	T3-19C	N.W.:	210g
Charging Voltage:	AC100-240V,50/60Hz	Color:	White
Max Power:	110W	Certificate:	CCC,CE,CB,FCC,FDA,RoHs
Product Size:	83*77*95mm		

Formula Dispenser

Formula Dispenser

Product Function

01 | 1 container equals to 5 powder boxes.

02 | 150g Large Capacity .

03 | Quantitative output
One press=One Standard Scoop(8-10g)
One press mix 60ml water.

04 | Can be boiled, UV sterilized.

05 | Compact design.

06 | Food Grade Material.

Product Parameters

Model No.: FD-100

Product Size: 70x70x196mm

Capacity: 150g

Output/press: One Standard Scoop(8-10g)

N.W.: 168g

Color: White

Certificate: FDA,RoHs

Baby Feeding

Portable Breast Pump

USB Portable Breast Pump

Product Function

01 | Bell-mouthed food grade silicone
High compactness for better galactosis

02 | 5 Massage modes, 9 Suckling modes
9 Shock absorbing modes.

03 | Compatible with 180ml standard
wide neck bottle and nipple.

04 | Massage mode, Prolaction mode,
Suckling mode, 6 Frequency modes.

05 | Built-in polymer lithium battery
Easy carrying.

06 | Two-tune injection technology
Upscale texture.

Product Parameters

Model No.: BW-B2192
Charging Voltage: DC5V,1A
Battery Capacity: 3.7V*850mAh
Product Size: 140x88x185mm

Max Power: 3.6W
N.W.: 145g
Color: Pink
Certificate: CE, FCC, UN38.3, FDA, RoHs

Portable Breast Pump

Electric portable breast pump

Product Function

01 | 5 Massage modes,9 Suckling modes
9 Shock absorbing modes .

02 | Dual-core booster motor
True bilateral force.

03 | Bell-mouthed food grade silicone
High compactness for better galactosis.

04 | USB connector,Can work 4-5 times
after fully charged.

05 | Massage mode,Prolaction mode
Suckling mode.

06 | SPPU material without BPA.

Product Parameters

Model No.: BW-8076
Charging Voltage: DC5V,1A
Battery Capacity: 3.7V*1400mAh
Product Size: 83x53x135mm

Max Power: 5W
N.W.: 145g
Color: Pink,Green
Certificate: CE,FCC,UN38.3,MSDS,FDA,RoHs

Toddler Feeding Supplies

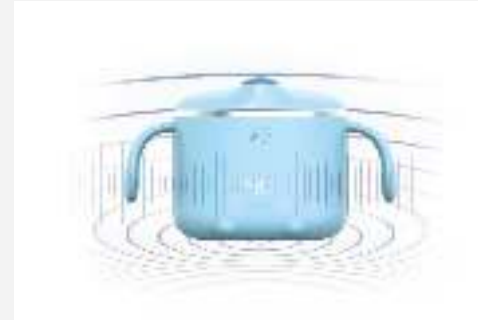

Mini Puppy

Portable Food Warmer 1.0

Function

01 | Over-temperature alarm, keep a safe temperature all the times

02 | 2500mAh large capacity lithium battery, continuous output, let the baby enjoy constant temperature food at any time

03 | Double handle design
Easy to grasp

04 | IPX6 waterproof, can be washed all over the bowl

05 | Food Grade SUS316+PP+Silicone
Safe and durable

06 | USB magnetic plug charging
Easy carrying

Product Parameters

Model No.: C1-20B
Charging Voltage: DC5V,1A/2A
Battery Capacity: 7.4V/2500mAh
Product Size: 173*110*102mm
Max Capacity: 400mL

Max power: 20W
N.W.: 415g
Color: Blue, Yellow
Certificate: CCC, CE, FCC, FDA, RoHs, UN38.3, MSDS, IPX6

Miki

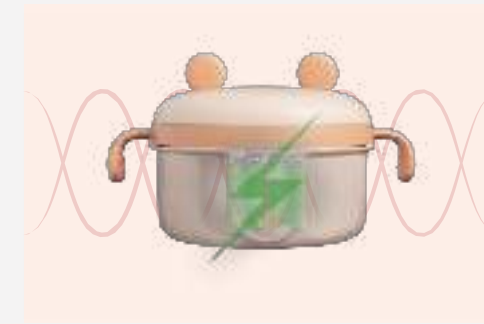

Portable Food Warmer 2.0

Function

01 | Detachable design for bowl and base, The bowl can be removed to clean and disinfect.

02 | 2500mAh large battery capacity, holding warm more than 2 hours.

03 | 450ml large capacity bowl Meet the needs of different babies.

04 | IPX6 waterproof, can be washed all over the bowl.

05 | Food Grade SUS316+PP+Silicone Safe and durable.

06 | TYPE-C charging port Higher and more stable charging efficiency.

Product Parameters

Model No.: C1-21B
Charging Voltage: DC5V,1A/2A
Battery Capacity: 7.4V/2500mAh
Product Size: 173*110*102mm
Max Capacity: 450mL

Max power: 22W
N.W.: 473g
Color: Pink
Certificate: FDA,RoHs,UN38.3,MSDS

Wang Wang

Electric Divided Lunch Box

Function

01 | Detachable design for bowl and base, The bowl can be removed to clean and disinfect.

02 | 2500mAh large battery capacity, holding warm more than 2 hours.

03 | 500ml large capacity Divider partition design of rice, vegetables, soup.

04 | IPX6 waterproof, can be washed all over the bowl.

05 | Food Grade SUS316+PP+Silicone Safe and durable.

06 | TYPE-C charging port Higher and more stable charging efficiency .

Product Parameters

Model No.:	C1-22B	Max power:	24W
Charging Voltage:	DC5V,1A/2A	N.W.:	780g
Battery Capacity:	7.4V/2500mAh	Color:	Pink
Product Size:	191*187*109mm	Certificate:	FDA,RoHs,UN38.3,MSDS
Max Capacity:	400mL		

Wangwang Airship

Electric Divided Lunch Box

Function

01 | Detachable design for bowl and base, The bowl can be removed to clean and disinfect.

02 | 2500mAh large battery capacity, holding warm more than 2 hours.

03 | 450ml large capacity
Compartment design, separate different dishes.

04 | IPX6 waterproof, can be washed all over the bowl.

05 | Food Grade SUS316+PP+Silicone
Safe and durable.

06 | TYPE-C charging port
Higher and more stable charging efficiency.

Product Parameters

Model No.: C1-22A
Charging Voltage: DC5V,1A/2A
Battery Capacity: 7.4V/2500mAh
Product Size: 238*181*122mm
Max Capacity: 350mL

Max power: 24W
N.W.: 760g(待定)
Color: 粉色
Certificate: FDA, RoHs, UN38.3

Little Penguin

2 in 1 Snack Cup

Function

01 | 2 in 1 Snack cup, switch a cover to become a water cup

02 | Petal-shaped silicone, Elastic resistance snack cup against dumping.

03 | Anti-Colic, Dust-proof design for children's drink cups.

04 | Food Grade SUS316+PP+Silicone Safe and durable

05 | Foldable body, more space saving

06 | Easy to remove and clean

Product Parameters

Model No.: H1-20B

N.W.: 196g

Product Size: 128x99x115mm

Color: Pink,Blue,Yellow

Capacity: 400ML

Certificate: FDA, RoHs

Sterilizer

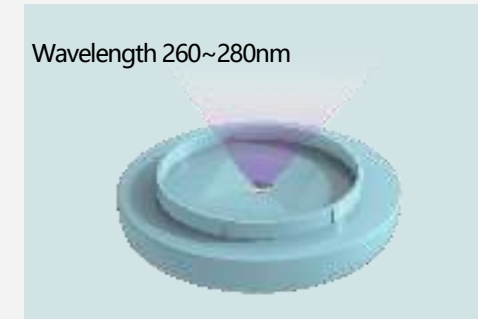

USB-UVC Sterilizer

Function

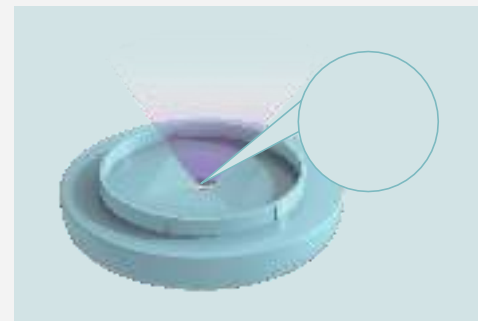

01 | On the go sterilizer, one press to disinfect baby nipples.

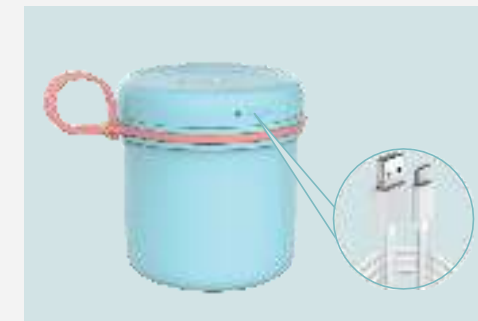

01 | Physical sterilization: Wavelengths of 260 ~280 nm can instantly destroy the DNA and RNA of bacteria and other microorganism

03 | Rapid killing of *Candida albicans*, *Escherichia coli*, *Listeria*, hemolytic coccus, *Staphylococcus aureus*, *Salmonella typhimurium*.

04 | 10 years lifespan of UVC lamp.

05 | TYPE-C charging port, one full charge can last 3 months.

06 | Multi-use of UVC cover, use with bottle warmer to disinfect the heating plate.

Product Parameters

Item: UVC sterilizer
Model No.: V1-22A
Battery Capacity: 450mAh
Charging Voltage: DC 5V/1A&2A

Max power: 3W(MAX)
N.W.: 39g
Color: Blue, Yellow
Certificate: CE, RoHS

Household Appliances

2 in 1 Health Pot

Glass Milk warmer & Stew Pot

Function

01 | Multifunctional modes with Heating-Holding temperature-Dechlorination-Baby's porridge-Stew-Sweetmeats .

02 | Metal-free,Silicone-Free, No limescale Boil in 15 mins ,Perfect temp for brewing milk in 3 mins

03 | Multi-Fuction, 2 in 1 : stew pot+baby food maker

04 | Multi-stage temperature settings, Meet different brewing demands.

05 | Auto off once remove the kettle Accurate temperature control within ± 2 degrees.

06 | Easy to operate, Detachable kettle and stew-pot can be exchanged Easy to clean, safe and secure.

SPECIFICATION

Model No.: T3-21A
 Voltage: AC220V
 Input Voltage: 800W
 Product Size: 213*175*258mm

N.W.: 817g(not included the stew pot and kettle)
 Color: White,Pink
 Certificate: CCC,FDA,RoHs

Icy Cube

Mini Cooling and Warming Cup

Function

01 | High efficiency and fast cooling
Single press to switch cooling or heating mode.

02 | 10W Ultra low power, less than 0.3
KWH of electricity a day .

03 | Holding temperature after heating up
to 45°C (±5) .

04 | Non-slip silicone design.

05 | Detachable base and cup design
Easy to clean

06 | Suitable for carbonated drinks, beer,
coffee, milk, scented tea.

SPECIFICATION

Model No.: M1-20B
Working Voltage: DC 5V/2A&3A
Product Size: 141x136x200mm
Input Voltage: 12W

N.W.: 400g
Color: White,Green
Certificate: FDA,RoHs

Icy Glacier

Cooling and Warming Bottle

Function

01 | Single press to switch cooling or heating
Best cooling at min 9°C, holding temperature at max 45°C (±5)

02 | 10w Ultra Low Power
Less than 0.3KWh one day

03 | USB powered or car charged

04 | 45°C holding temperature
Suitable for warming milk

05 | Water and electricity separation technology
Removable cup, easy to clean, safe and secure

06 | Office, sporting or using on travel

Specification

Model No.: M3-20B
Working Voltage: DC 5V/2A&3A
Product Size: 86x86x225mm
Input Voltage: 12W

N.W.: 470g
Color: White, Blue
Certificate: FDA, RoHS

Yogurt Maker

Mini Design|3 Working Modes | USB supply

Function

01 | 9 hours slight acidic mode
12 hours yogurt maker mode
40°C bottle warmer mode

02 | 280ML capacity meets one day's nutrition demands.

03 | Detachable cup
Easy to clean

04 | USB 5V charging
Easy to carry

05 | Food grade SUS316+ food grade PP+
food grade silicone,
Safe and durable

06 | Food grade SUS316 stainless steel
warmer base
Can normally ferment under 10°C

Specification

Model No.:	F1-20B	N.W.:	116g
Working Voltage:	DC 5V/2A	Color:	Blue
Product Size:	77x77x130mm	Certificate:	FDA, RoHs
Input Voltage:	10W
